## FÁILTE

### ó Ms Coates

What a great term! Second class made their First Confessions, fifth and sixth competed in the Rackard League and Mini-7s, with the girls vying for a spot in the Camogie Semi Finals after Easter. Gymnastic classes were so popular we're still doing cartwheels. A major highlight of the term was the installation of the climbing wall, kindly donated by the Parent Teacher Association.

And who could forget the day Buttercup, the goat, came to school? Term Three brings swimming, matches, gardening, school tours, Splash day, Sports Day and The First Holy Communion. Enjoy the rest during the Easter Holidays because it will be busy!

## UPCOMING EVENTS

- Reopens after Easter: April 17th

## MS SINNOTT'S CLASS

It has been a hive of activity in this room. Junior Infants are enjoying adding to their sound table and learning computers. Senior Infants are delighted to be reading 'hard books' and doing group work with the Junior and First classes. First class are very proud of the Gaeilge sentences they are writing, and love reading the funny stories they write to their younger classmates. The Book Fair was also a huge hit, and Sam's 2-3 Club continues to delight kids in the evenings.

## MR O'SULLIVAN'S CLASS

2nd, 3rd and 4th class worked extremely hard this term. Engineering Week has come and gone and we have learned lots about bridges through research, fieldwork, experiments and building them. 2nd class (pictured) have also been busy preparing for their sacraments. They had their First Confession on Wednesday the 29th of March. We are so excited and looking forward to their First Holy Communion after Easter.

## MS COATES' CLASS

Projects on the Normans, comparative studies on countries of choice and creating electrical circuits are just some of the things going on behind the 5th and 6th classroom door. As well as this we have been competing in the Hurling and Camogie Rackard League and Mini-7s. We are looking forward to the 6th class Graduation on Friday 27th June.
