## FÁILTE

ó Harry Killeen,  
Student Council President

This is our first term with a Student Council and we proudly present the Committee members: Rosaleen Hughes (rep. Infants-1st), William Fortune (rep. 2nd-4th), Conor Flood (rep. 5th and 6th), Eva Wadding (Secretary), Katie Doyle (Vice-President) and Harry Killeen (President). Since being in office we got goals painted for 1st class, a basketball hoop for 5th and 6th's mini court, a suggestion box to ensure every student can have their voice heard. We also hosted Hot Chocolate Fridays every second Friday this month, and helped raise over €200 for the Laura Lynn Foundation's Big Splash for Little Heros. We are very happy with the progress we have made in this short period and are excited for what is planned for the coming year.

## MS ROCHFORD'S CLASS

The classroom has been buzzing with creativity, as our talented students crafted beautiful Christmas art, learned tin whistle and prepared for the Christmas Play. In the spirit of anticipation and reflection, we explored Advent, discussing the themes of hope, love, joy, and peace. Our Book Fair was a resounding success! The love for reading was palpable as students eagerly explored a diverse selection of books, under the watchful eye of Jingles the elf!

## MR O'SULLIVAN'S CLASS

2nd, 3rd and 4th class worked fiercely on the magnificent Nativity Play put on by the school in the Myle's Byrne Community Hall which was a great success. On dry days they enjoyed the outdoors with walk down to Paddy's Bank and The Mill Lane, continuously working on renewing our Active School Flag. They got into the festive mood throughout December with Hot Chocolate Fridays set up by the Monaseed N.S. Student Council.

## 5TH AND 6TH CLASS

We have had so much fun rehearsing and preparing for the Christmas play. There are lots of budding actors and singers in our room! Learning to play the tin whistle has been a big focus this month, and we hope you have enjoyed all our practicing at home too! We have been busy decorating the school and enjoying the build up to Christmas. Bobby the snowman has been a great addition to our classroom! Have a very Merry Christmas from all in 5th and 6th class
