**FÁILTE**  
ó Ms Coates,  
Principal

Term 2 has been busy: German lessons, a Céilí, Tráth na gCeist and Grandparents' Day were huge hits. Thanks to the Parents' Association for organising the Family Quiz, we all had a great time. Thanks also to everyone who came to our Open Night, all our incoming infants had great fun and the new parents were given a lovely welcome.

Well done to 5th and 6th class on their Confirmation- they made everyone proud.

The Rackard League Hurling and Camogie teams are having a very successful run representing their school. There is great excitement for Term 3: our first Fr Felix Rumble, Hot Meals, swimming, school tours and, most importantly, the Hurling League: it's going to be busy!

## UPCOMING EVENTS

- Reopen after Easter: 8th April
- Swimming for 2nd up starts 10th April
- Fr Felix Golf Rumble: 26th April
- Communion: 4th May

## MS ROCHFORD'S CLASS

Another exhilarating term brimming with growth and achievement, and remarkable progress our students have made. From mastering the art of Easter baking to perfecting intricate Irish dance steps, their dedication and determination have been truly inspiring. Maths and English games on the tablets helped consolidate their knowledge. We are immensely proud of their hard work and commitment to learning! Well done everyone.

## MR O'SULLIVAN'S CLASS

Last week, our 2nd class students embarked on an important step in their spiritual journey as they participated in their First Confession. They are now eagerly anticipating their Holy Communion. Additionally, our 2nd, 3rd, and 4th class students have been busy presenting informative projects on the Stone Age and Bronze Age to each other, showcasing their knowledge and creativity.

## 5TH AND 6TH CLASS

Wow, what a quick Term! We have been really busy with preparations for our Confirmation which was on Saturday March 9th. Everyone had important jobs to do on the day, readings, prayers and we sung a hymn and played our tin whistles at our ceremony! We've been busy in school too. We have applied for our 5th Green Schools Flag in Biodiversity. We are also working on 'Incredible Edibles'. We are now excited for our hot meals starting in April. Happy Easter!
