FÁILTE

ó Ms Coates,
Principal

It has been a busy and exciting month returning to school and welcoming all our new students and their families to our school community.

Mile Buíochas to all involved in work on the school grounds over the summer, our pupils are absolutely delighted with the pitches.

The Rackard League is underway, and 5th and 6th have been representing the school very well.

October sees the pupils beginning work on the outdoor classroom with artist Aoife Banville, we can't wait to see what they design.

We are looking forward to the Sing Out Loud, Maths Week, Science week and finishing the term with Carol Singing in Gorey Shopping Centre. It's going to be brilliant!

MS ROCHFORD'S CLASS

September has been an exciting month! Our Juniors have settled in so well, learning new routines and making friends. They've enjoyed hands-on activities, play, and enhancing their social and creative skills. Senior Infants are blossoming in their reading and maths work. 1st Class has embraced new challenges, showing great enthusiasm and progress. Across all classes, we've focused on fostering a positive, supportive atmosphere, and it's been wonderful to see the children engage so well with their learning. We look forward to the months ahead!

MR O'SULLIVAN'S CLASS

We have been busy and have settled back into school and are working hard everyday. The boys and girls have written letters to each other telling their friends what they got up to all summer and what they're most looking forward to in the new school year. They're already excited and practicing daily for the Sing Out Loud! They've also been learning about the famous people of the world such as Pablo Picasso and one of Ireland's patron saints - Saint Colmcille.

5TH AND 6TH CLASS

Wow, what a very busy first few weeks back to school has been. We are all delighted to be back and have been out in the lovely weather getting back playing our Rackard League Gaelic football matches.

We were in at Creagh College Friday 13th for a full day Gaelic football Blitz where we got to meet lots of teams. A great day was had by all. Both teams represented the school really well, well done boys and girls!

We've also had visits from some of the secondary schools nearby giving our 6th class lots to think about for next year.
